FREQUENTLY *asked questions*

ARE YOU WILLING TO TRAVEL?

Absolutely! I am based out of Palm Beach, Florida and love photographing the area - but I love to explore as well! All weddings within Palm Beach, Martin, St. Lucie, Broward, and Miami-Dade do not encounter a travel fee - but further locations will encounter my travel costs.

CAN I GET BLACK AND WHITE PHOTOS?

Always! I send all the classic edits - with the addition of some black & white Images as well as stylized hazy film style photos to about 1/3 of your gallery! I will not send any unedited photos as my work is something I am proud of as a finished product.

WILL YOU HELP ME WITH MY TIMELINE?

For sure! One week before the big day we get to have a call and run through the start to finish plan for your day so we have an outline of how the day will flow and ensure that all the details are accounted for!

HOW MUCH DO I GET AND WHEN?

This depends! I send all photos that I believe you will love. Although there is no guaranteed number - I do have minimums dependent on the length of the package booked! Turn around times range between 2-4 weeks for the full gallery depending on my schedule, and I do send previews the next day!

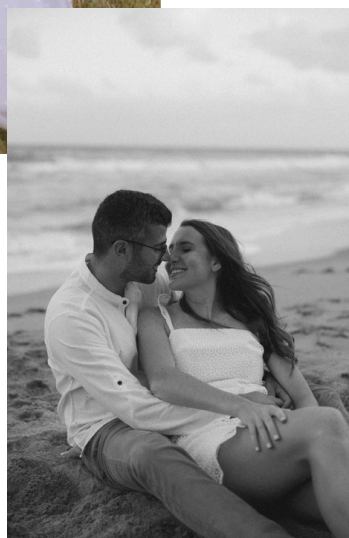

TIPS & tricks

PLANNING!

It's all In the details! Arranging your timeline, organizing your props for detail shots and developing a shot list for family photos can be overwhelming so It Is Important to start early to make sure everything Is addressed. A day-of - coordinator can really help with the process of the day and something I highly recommend!

COMFORT IS KEY!

Capturing your true emotion Is my main goal so I try and make the process as enjoyable as possible for you! So I may try and crack a joke or two to make you laugh but never hesitate to reach out before the big day so you feel friendly with me!
